

BENTON COUNTY ASSESSMENT CALENDAR 2021-2022

Current as of April 26, 2021

Assessment	Testing Dates and Times	Purpose	Results
WIDA ACCESS Placement Tests for English Language Learners Grades PreK-12	Administered to English Language Learner students at the time of enrollment. Up to 60 minutes depending on proficiency level of student	This assessment is given to students who speak a language other than English at home. It is used to help determine which kind and level of English language support they need.	Tests are scored by ESL teacher, and the results are given to parents immediately.
Brigance/Teacher Constructed Grade K	Beginning of school About 15 minutes	Brigance is a norm-referenced screening tool that compares each child's results with performance of others. The purpose of the teacher-constructed test is to analyze student abilities and levels of differentiation.	Results are distributed upon request and at Parent Teacher Conference.
Universal Fall Screening Grades K-8 ELA and Math	August 23 – Sept. 17, 2021 12 minutes – 60 minutes, varies by grade level	The purpose of the state-mandated universal screening is to provide a data snapshot of a student's current performance. RTII (Response to Instruction and Intervention) is an instructional support system designed to give students the individual support they need to learn, no matter where they stand academically.	Screening results are not typically distributed outside the school due to their formative nature, but parents can request the information from the school as needed. Students scoring below the 25 th percentile have results sent home. Results are not used for grades.
